

Life at Chineham Park

AN INTRO TO CHINEHAM PARK

Be part of Chineham life

At Frasers Property we are committed to a customer focussed, experience first approach. We deliver environments that strengthen the connection between people and the places they live, work and visit.

Chineham Park is a vibrant business community. With a variety of open green spaces and a diverse calendar of activities and events all year round, we are continually introducing new initiatives to boost social interaction and enhance the wellbeing of the people that work here.

Our events & activities

COMMUNITY

We regularly invite street food trucks to provide all sorts of delicious cuisines from around the world at lunchtime.

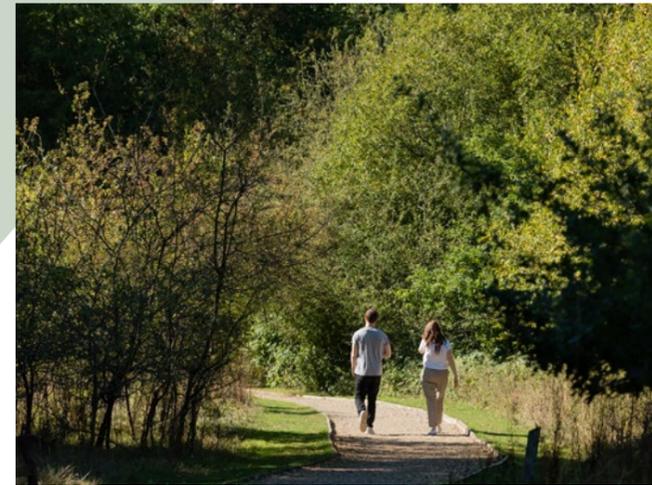

RUNNING

Join our weekly running club to meet new people or simply put yourself through your paces, suitable for all fitness levels.

FITNESS

The onsite Fitness First gym gives you the flexibility to workout around your schedule. Whether it's an early morning pilates class, lunchtime weight training or an after work cardio session – with over 60 classes per week to choose from.

WELLBEING

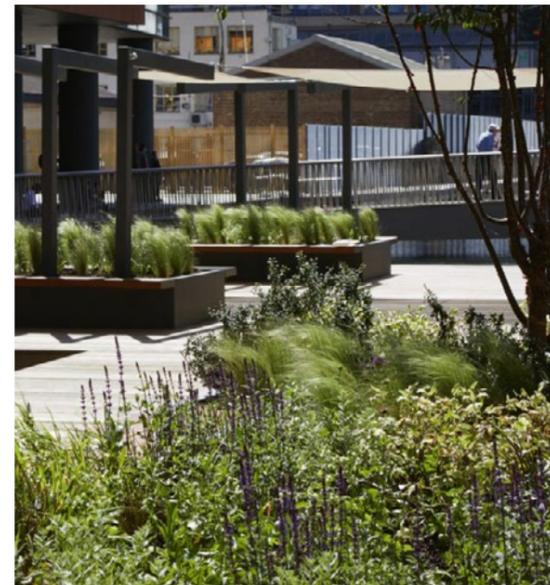

Escape from the office and breathe in the fresh air of our Parklands, offering a peaceful and green woodland setting to unwind during your lunch break or take a stroll through after work.

SUMMER FAYRE

From summer BBQs to live concerts, we organise a mixture of events for the whole park to come together and enjoy.

2020 VISION

New social space

Fraser's Property is constantly looking for ways to improve Chineham Park, that's why we are developing a new social hub, where people can meet, work or relax.

This hub will provide collaborative or quiet working spaces for people to break-out from their office and gain some thinking space. Opening 2020.

YOUR COMMUNITY

Benefit from a connected life

Stay connected with all of our events and activities by following our social channels, where you'll find regular updates about life on the park. We'll also keep you informed via our email newsletter so you'll never miss out. From bus timetable updates to the next street food

event, Frasers Property is in the business of building communities. That's why we are continually surveying people to see how we can improve the park, whether that's through new events, new facilities or other services, we understand that your experience matters.

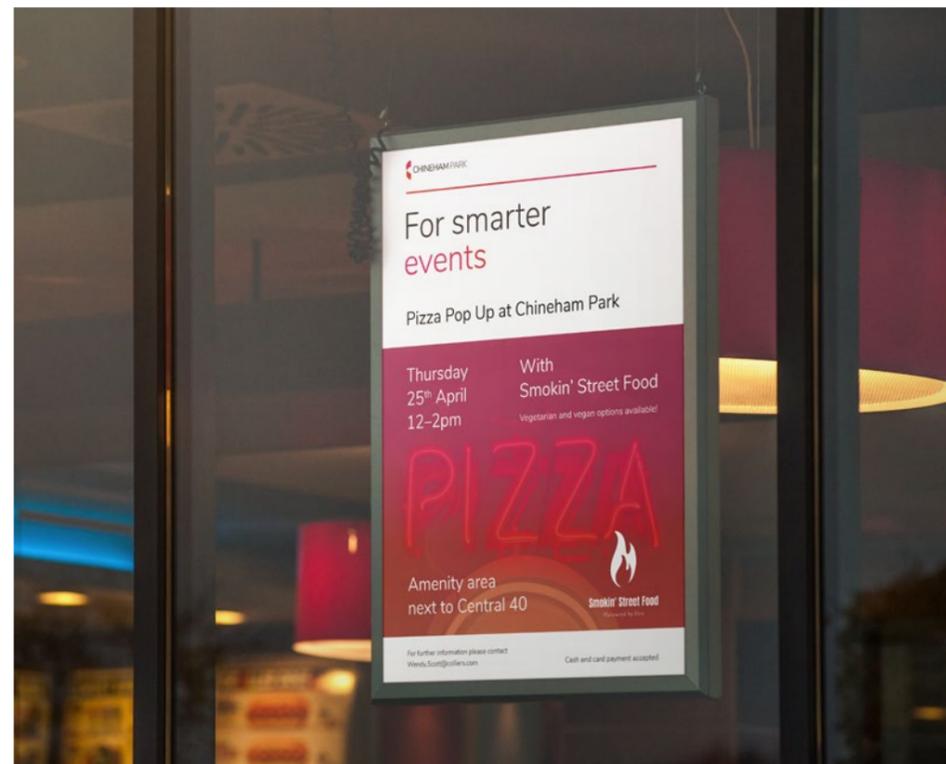

Bike Safety Workshop

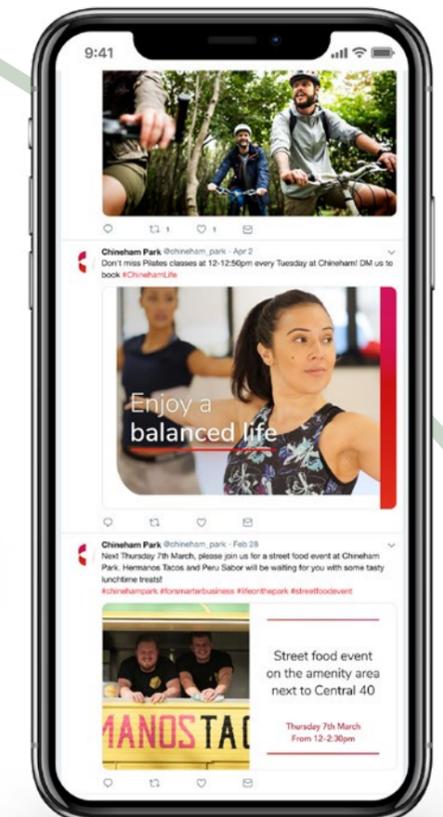

At Chineham Business Park we champion our community and invest in activities and events that ensure our customers love working here.

For the 3rd April, we have invited Espokes - who are accredited bike experts - to Spindlewood. The friendly team will check your wheels, brakes, tyres, suspension and everything in between to make sure that your bike is as safe, reliable and easy to use as possible.
